## Add Store

1. Click on the 'Add Store' button.

The screenshot displays the 'Marketplace Stores' management interface. At the top, there is a header bar with the title 'Marketplace Stores' and a search icon. Below the header is a search bar labeled 'Name'. A table with columns '#', 'Name', 'Platform', 'Store Id', 'Country', 'Status', and 'Updated At' is visible. A modal window titled 'Create Marketplace Store' is open, featuring a 'Marketplace Store Info' section with input fields for 'Store Name', 'Platform' (a dropdown menu), and 'Country' (a dropdown menu). A 'SUBMIT' button is located at the bottom of the modal. A red arrow points from the 'ADD STORE' button in the bottom right corner of the interface to the modal window. The bottom right corner also contains 'SAVE' and 'DELETE' buttons. The bottom left corner shows a download icon and pagination information: 'page 1 / 1'.

2. Enter all the information about your marketplaces store.
3. Click the 'Submit' button.

## Delete Store

4. Click on the checkbox of the platform you want to delete.
5. Click the 'Delete' button.

# STORE PLATFORM

After creating a marketplace store, a store page as shown in the picture below will be displayed.
