Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

2.8 Upon Licensee's written request, R3 agrees that solely as a convenience to Licensee it will use commercially reasonable endeavours to Operate the Trade Finance IP, including but not limited to the Trade Finance CorDapp, for the benefit of Licensee (the "Operations Services"). Licensee acknowledges and agrees that R3 may subcontract the Operations Services to CryptoBLK Limited (the "Operator"). In the event R3 subcontracts such Operations Services to CryptoBLK Limited, R3 shall endeavor for CryptoBLK to provide Licensee with the URL and proper credentials to access the Trade Finance CordDapp user interface. Licensee shall be solely responsible for all data and information transmitted using the Trade Finance IP using such credentials. 2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. 7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if

The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3's entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys' fees) arising out of, accruing from, or in any way related to (i) Licensee's breach of the terms of this Agreement, (ii) Licensee's use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee's negligence, fraud, or willful misconduct.

This Agreement constitutes the legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms.

2.7 Nothing in this Agreement shall operate to give Licensee the right to use, and Licensee shall not use, any of R3's trade names, trade marks, service marks, logos, domain names, or other distinctive brand features (including as the same relate to the Trade Finance IP and the Beta Transactions) without R3's prior written consent.

2.8 Upon Licensee's written request, R3 agrees that solely as a convenience to Licensee it will use commercially reasonable endeavours to Operate the Trade Finance IP, including but not limited to the Trade Finance CorDapp, for the benefit of Licensee (the "Operations Services"). Licensee acknowledges and agrees that R3 may subcontract the Operations Services to CryptoBLK Limited (the "Operator"). In the event R3 subcontracts such Operations Services to CryptoBLK Limited, R3 shall endeavor for CryptoBLK to provide Licensee with the URL and proper credentials to access the Trade Finance CordDapp user interface. Licensee shall be solely responsible for all data and information transmitted using the Trade Finance IP using such credentials. Licensee acknowledges that R3 is offering the Operations Services as a convenience to Licensee only and on a no-fee basis, and that R3 may be unable to continue to provide, or to timely provide, the Operations Services if the Operator fails to provide, or fails to timely provide, the Operations Services, and R3 shall not be liable for any failure by the Operator to provide the Operations Services except to the extent that R3, through use of reasonable endeavours, could have enforced its agreement with the Operator to require the Operator to provide such Operations Services.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

2.12 Licensee acknowledges and agrees that it shall be able to identify Additional Licensees through use of the Trade Finance IP.

3. BETA TRANSACTIONS

3.1 Licensee acknowledges and agrees that each Beta Transaction entered into by Licensee shall be executed subject to those terms set forth in Schedule A.

4. NO FEES

4.2 There shall be no fees owed by Licensee pursuant to the terms of this Agreement. Notwithstanding the foregoing, in the event R3 novates this Agreement to the Newco pursuant to

Section 16 below, Licensee acknowledges and agrees that the Newco shall have the right to impose fees upon Licensee in such assignee's sole discretion.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

12. DATA PROTECTION.

The Parties agree to include the terms set out in Schedule B in relation to the GDPR.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

ASSIGNMENT AND NOVATION.**

This Agreement and the rights and obligations hereunder may not be transferred, assigned or delegated by either party, in whole or part, without the prior written consent of the other party provided that R3 may, by providing written notice to Licensee, require that this Agreement is novated, in whole and maintaining the same terms as are then in force: (i) to any third party in connection with the sale of all or substantially all of R3's assets and/or in connection with any sale of R3's business, including but not limited to the sale, transfer and/or assignment of equity or other

Following such notice, this Agreement shall automatically novate to the relevant third party/Newco (as applicable) on the date specified in the relevant notice. Any Person to whom a novation is made under this Section 16 may itself make require a novation as if it were the original party under this Section 16. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. 7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. 7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

Licensee acknowledges that R3 is offering the Operations Services as a convenience to Licensee only and on a no-fee basis, and that R3 may be unable to continue to provide, or to timely provide, the Operations Services if the Operator fails to provide, or fails to timely provide, the Operations Services, and R3 shall not be liable for any failure by the Operator to provide the Operations Services except to the extent that R3, through use of reasonable endeavours, could have enforced its agreement with the Operator to require the Operator to provide such Operations Services.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

15. CHOICE OF LAW; JURISDICTION.

Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

Licensee hereby irrevocably consents in advance to any such novation and acknowledges and agrees that any such novation shall be effective without any further consent from it. Following such notice, this Agreement shall automatically novate to the relevant third party/Newco (as applicable) on the date specified in the relevant notice. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. 7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3's entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys' fees) arising out of, accruing from, or in any way related to (i) Licensee's breach of the terms of this Agreement, (ii) Licensee's use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee's negligence, fraud, or willful misconduct.

2.8 Upon Licensee's written request, R3 agrees that solely as a convenience to Licensee it will use commercially reasonable endeavours to Operate the Trade Finance IP, including but not limited to the Trade Finance CorDapp, for the benefit of Licensee (the "Operations Services"). Licensee acknowledges and agrees that R3 may subcontract the Operations Services to CryptoBLK Limited (the "Operator"). In the event R3 subcontracts such Operations Services to CryptoBLK Limited, R3 shall endeavor for CryptoBLK to provide Licensee with the URL and proper credentials to access the Trade Finance CordApp user interface. Licensee shall be solely responsible for all data and information transmitted using the Trade Finance IP using such credentials. Licensee acknowledges that R3 is offering the Operations Services as a convenience to Licensee only and on a no-fee basis, and that R3 may be unable to continue to provide, or to timely provide, the Operations Services if the Operator fails to provide, or fails to timely provide, the Operations Services, and R3 shall not be liable for any failure by the Operator to provide the Operations Services except to the extent that R3, through use of reasonable endeavours, could have enforced its agreement with the Operator to require the Operator to provide such Operations Services.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

2.12 Licensee acknowledges and agrees that it shall be able to identify Additional Licensees through use of the Trade Finance IP.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Agreement or its subject matter or formation (including non-contractual disputes or claims). **16. Any Person to whom a novation is made under this Section 16 may itself make require a novation as if it were the original party under this Section 16. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

12. DATA PROTECTION.

The Parties agree to include the terms set out in Schedule B in relation to the GDPR.

Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

Upon termination of this Agreement for any reason, Licensee shall immediately cease all use of the Trade Finance IP and shall promptly, but not more than ten (10) business days following such termination (unless agreed otherwise), uninstall any software provided as part of the Trade Finance IP, and delete and/or destroy or return to R3 any other Intellectual Property provided as part of the Trade Finance IP. This Agreement constitutes the legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms.

2.7 Nothing in this Agreement shall operate to give Licensee the right to use, and Licensee shall not use, any of R3's trade names, trade marks, service marks, logos, domain names, or other distinctive brand features (including as the same relate to the Trade Finance IP and the Beta Transactions) without R3's prior written consent.

2.8 Upon Licensee's written request, R3 agrees that solely as a convenience to Licensee it will use commercially reasonable endeavours to Operate the Trade Finance IP, including but not limited to the Trade Finance CorDapp, for the benefit of Licensee (the "Operations Services"). Licensee acknowledges and agrees that R3 may subcontract the Operations Services to CryptoBLK Limited (the "Operator"). In the event R3 subcontracts such Operations Services to CryptoBLK Limited, R3 shall endeavor for CryptoBLK to provide Licensee with the URL and proper credentials to access the Trade Finance CordApp user interface. Licensee shall be solely responsible for all data and information transmitted using the Trade Finance IP using such credentials. Licensee acknowledges that R3 is offering the Operations Services as a convenience to Licensee only and on a no-fee basis, and that R3 may be unable to continue to provide, or to timely provide, the Operations Services if the Operator fails to provide, or fails to timely provide, the Operations Services, and R3 shall not be liable for any failure by the Operator to provide the Operations Services except to the extent that R3, through use of reasonable endeavours, could have enforced its agreement with the Operator to require the Operator to provide such Operations Services.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

14. AMENDMENT; WAIVER.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. ASSIGNMENT AND NOVATION.**

This Agreement and the rights and obligations hereunder may not be transferred, assigned or delegated by either party, in whole or part, without the prior written consent of the other party provided that R3 may, by providing written notice to Licensee, require that this Agreement is novated, in whole and maintaining the same terms as are then in force: (i) to any third party in connection with the sale of all or substantially all of R3's assets and/or in connection with any sale of R3's business, including but not limited to the sale, transfer and/or assignment of equity or other

securities of R3 and/or any other change of control event of R3, or (ii) to the Newco at any time. Licensee hereby irrevocably consents in advance to any such novation and acknowledges and agrees that any such novation shall be effective without any further consent from it. Following such notice, this Agreement shall automatically novate to the relevant third party/Newco (as applicable) on the date specified in the relevant notice. Any Person to whom a novation is made under this Section 16 may itself make require a novation as if it were the original party under this Section 16. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

18.1 In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be invalid or unenforceable, the remaining portions hereof shall remain in full force and effect and such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed to the extent necessary to make such provision valid and enforceable. The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

Any Person to whom a novation is made under this Section 16 may itself make require a novation as if it were the original party under this Section 16. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. 7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

2.8 Upon Licensee's written request, R3 agrees that solely as a convenience to Licensee it will use commercially reasonable endeavours to Operate the Trade Finance IP, including but not limited to the Trade Finance CorDapp, for the benefit of Licensee (the "Operations Services"). Licensee acknowledges and agrees that R3 may subcontract the Operations Services to CryptoBLK Limited (the "Operator"). In the event R3 subcontracts such Operations Services to CryptoBLK Limited, R3 shall endeavor for CryptoBLK to provide Licensee with the URL and proper credentials to access the Trade Finance CordDapp user interface. Licensee shall be solely responsible for all data and information transmitted using the Trade Finance IP using such credentials. Licensee acknowledges that R3 is offering the Operations Services as a convenience to Licensee only and on a no-fee basis, and that R3 may be unable to continue to provide, or to timely provide, the Operations Services if the Operator fails to provide, or fails to timely provide, the Operations Services, and R3 shall not be liable for any failure by the Operator to provide the Operations Services except to the extent that R3, through use of reasonable endeavours, could have enforced its agreement with the Operator to require the Operator to provide such Operations Services.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

2.12 Licensee acknowledges and agrees that it shall be able to identify Additional Licensees through use of the Trade Finance IP.

3. BETA TRANSACTIONS

3.1 Licensee acknowledges and agrees that each Beta Transaction entered into by Licensee shall be executed subject to those terms set forth in Schedule A.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

14. AMENDMENT; WAIVER.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Agreement or its subject matter or formation (including non-contractual disputes or claims). **16. ASSIGNMENT AND NOVATION.**

This Agreement and the rights and obligations hereunder may not be transferred, assigned or delegated by either party, in whole or part, without the prior written consent of the other party provided that R3 may, by providing written notice to Licensee, require that this Agreement is novated, in whole and maintaining the same terms as are then in force: (i) to any third party in connection with the sale of all or substantially all of R3's assets and/or in connection with any sale of R3's business, including but not limited to the sale, transfer and/or assignment of equity or other

securities of R3 and/or any other change of control event of R3, or (ii) to the Newco at any time. Licensee hereby irrevocably consents in advance to any such novation and acknowledges and agrees that any such novation shall be effective without any further consent from it. Following such notice, this Agreement shall automatically novate to the relevant third party/Newco (as applicable) on the date specified in the relevant notice. Any Person to whom a novation is made under this Section 16 may itself make require a novation as if it were the original party under this Section 16. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

18.1 In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be invalid or unenforceable, the remaining portions hereof shall remain in full force and effect and such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed to the extent necessary to make such provision valid and enforceable. The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

3.1 Licensee acknowledges and agrees that each Beta Transaction entered into by Licensee shall be executed subject to those terms set forth in Schedule A.

Section 16 below, Licensee acknowledges and agrees that the Newco shall have the right to impose fees upon Licensee in such assignee's sole discretion.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

12. DATA PROTECTION.

The Parties agree to include the terms set out in Schedule B in relation to the GDPR.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise

reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. 7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if

Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the "Term"). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3's entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys' fees) arising out of, accruing from, or in any way related to (i) Licensee's breach of the terms of this Agreement, (ii) Licensee's use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee's negligence, fraud, or willful misconduct.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

2.8 Upon Licensee's written request, R3 agrees that solely as a convenience to Licensee it will use commercially reasonable endeavours to Operate the Trade Finance IP, including but not limited to the Trade Finance CorDapp, for the benefit of Licensee (the "Operations Services"). Licensee acknowledges and agrees that R3 may subcontract the Operations Services to CryptoBLK Limited (the "Operator"). In the event R3 subcontracts such Operations Services to CryptoBLK Limited, R3 shall endeavor for CryptoBLK to provide Licensee with the URL and proper credentials to access the Trade Finance CordDapp user interface. Licensee shall be solely responsible for all data and information transmitted using the Trade Finance IP using such credentials. Licensee acknowledges that R3 is offering the Operations Services as a convenience to Licensee only and on a no-fee basis, and that R3 may be unable to continue to provide, or to timely provide, the Operations Services if the Operator fails to provide, or fails to timely provide, the Operations Services, and R3 shall not be liable for any failure by the Operator to provide the Operations Services except to the extent that R3, through use of reasonable endeavours, could have enforced its agreement with the Operator to require the Operator to provide such Operations Services.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

2.8 Upon Licensee's written request, R3 agrees that solely as a convenience to Licensee it will use commercially reasonable endeavours to Operate the Trade Finance IP, including but not limited to the Trade Finance CorDapp, for the benefit of Licensee (the "Operations Services"). Licensee acknowledges and agrees that R3 may subcontract the Operations Services to CryptoBLK Limited (the "Operator"). In the event R3 subcontracts such Operations Services to CryptoBLK Limited, R3 shall endeavor for CryptoBLK to provide Licensee with the URL and proper credentials to access the Trade Finance CordDapp user interface. Licensee shall be solely responsible for all data and information transmitted using the Trade Finance IP using such credentials. Licensee acknowledges that R3 is offering the Operations Services as a convenience to Licensee only and on a no-fee basis, and that R3 may be unable to continue to provide, or to timely provide, the Operations Services if the Operator fails to provide, or fails to timely provide, the Operations Services, and R3 shall not be liable for any failure by the Operator to provide the Operations Services except to the extent that R3, through use of reasonable endeavours, could have enforced its agreement with the Operator to require the Operator to provide such Operations Services.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

2.12 Licensee acknowledges and agrees that it shall be able to identify Additional Licensees through use of the Trade Finance IP.

3. BETA TRANSACTIONS

3.1 Licensee acknowledges and agrees that each Beta Transaction entered into by Licensee shall be executed subject to those terms set forth in Schedule A.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

14. AMENDMENT; WAIVER.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

This Agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. ASSIGNMENT AND NOVATION.**

This Agreement and the rights and obligations hereunder may not be transferred, assigned or delegated by either party, in whole or part, without the prior written consent of the other party provided that R3 may, by providing written notice to Licensee, require that this Agreement is novated, in whole and maintaining the same terms as are then in force: (i) to any third party in connection with the sale of all or substantially all of R3's assets and/or in connection with any sale of R3's business, including but not limited to the sale, transfer and/or assignment of equity or other

Licensee hereby irrevocably consents in advance to any such novation and acknowledges and agrees that any such novation shall be effective without any further consent from it. Following such notice, this Agreement shall automatically novate to the relevant third party/Newco (as applicable) on the date specified in the relevant notice. Any Person to whom a novation is made under this Section 16 may itself make require a novation as if it were the original party under this Section 16. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

18.1 In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be invalid or unenforceable, the remaining portions hereof shall remain in full force and effect and such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed to the extent necessary to make such provision valid and enforceable. The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

2.9 In the event Licensee Operates the Trade Finance IP on its own behalf, Licensee shall enter into a separate evaluation agreement for Corda Enterprise with R3 for use solely in connection with Beta Transactions (a "Corda Enterprise Beta License").

2.10 Licensee, prior to use of the Trade Finance IP, if required, shall enter into an agreement with the Corda Network Foundation (the "Terms of Use"). R3 has no responsibility for the negotiation and execution of the Terms of Use between Licensee and the Corda Network Foundation.

2.11 Licensee shall not (and shall not permit its Representatives to) decompile, disassemble or otherwise reverse engineer any Intellectual Property or Proprietary Information or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in any Intellectual Property or Proprietary Information or any portion thereof.

2.12 Licensee acknowledges and agrees that it shall be able to identify Additional Licensees through use of the Trade Finance IP.

3. BETA TRANSACTIONS

3.1 Licensee acknowledges and agrees that each Beta Transaction entered into by Licensee shall be executed subject to those terms set forth in Schedule A.

4. NO FEES

4.2 There shall be no fees owed by Licensee pursuant to the terms of this Agreement. Notwithstanding the foregoing, in the event R3 novates this Agreement to the Newco pursuant to

Section 16 below, Licensee acknowledges and agrees that the Newco shall have the right to impose fees upon Licensee in such assignee's sole discretion.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. In addition, R3 may disclose Proprietary Information provided in connection with each Beta Transaction to (a) any Additional Licensee to whom Licensee intends to (through use of the Trade Finance IP) transmit such Proprietary Information in connection with such Beta Transaction, and (b) any Additional Licensee that needs such Proprietary Information to facilitate such Beta Transaction. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

12. DATA PROTECTION.

The Parties agree to include the terms set out in Schedule B in relation to the GDPR.

No amendment, modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by duly authorized signatories of all of the parties. The waiver by either party of a default under any provision of this Agreement shall not be construed as a waiver of any subsequent default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.

15. CHOICE OF LAW; JURISDICTION.

Any Person to whom a novation is made under this Section 16 may itself make require a novation as if it were the original party under this Section 16. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

17. THIRD PARTY BENEFICIARY

The Newco shall be an expressly intended third party beneficiary of R3's rights under this Agreement, and the Additional Licensees (as defined in Schedule A) shall be expressly intended third party beneficiaries of Schedule A, entitled to enforce the same as if it were a party hereto. Notwithstanding the foregoing, the rights of the parties to rescind or vary this Agreement are not subject to the consent of the Newco or any Additional Licensee (or any other person). Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

18. MISCELLANEOUS

18.1 In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be invalid or unenforceable, the remaining portions hereof shall remain in full force and effect and such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed to the extent necessary to make such provision valid and enforceable. The parties hereto agree to use good faith efforts to achieve the purpose of any such illegal, invalid, or unenforceable provision by adopting new, legally valid and enforceable provisions.

18.2 The parties are independent contractors, this Agreement does not establish any partnership or joint venture between any of the parties, and neither party shall have any authority of any kind to bind the other party in any respect whatsoever.

18.3 This Agreement may be executed in multiple counterparts (including counterparts delivered by email or other electronic means), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

5. NON-DISCLOSURE AND LIMITED USE.

5.1 Recipients shall hold all Proprietary Information in strict confidence and shall not disclose any Proprietary Information to any third party, other than to its Representatives who need to know such information and who are bound by written restrictions regarding disclosure and use of such information comparable to and no less restrictive than those set forth herein. Each Recipient shall be liable for any breach of this Agreement by any of its Representatives. Each Recipient and its Representatives shall not use any Proprietary Information for the benefit of itself (including its parents, subsidiaries, Affiliates or any third party) or for any purpose other than for the purpose of performing its obligations or exercising its rights under this Agreement. Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

12. DATA PROTECTION.

The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

5.2 The obligations of this Section 5, including the restrictions on disclosure and use, shall not apply with respect to any Proprietary Information to the extent such Proprietary Information: (a) is or becomes publicly known through no act or omission of a Recipient or its Representatives; (b) was rightfully known by a Recipient before receipt from Discloser, as evidenced by Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient; (c) becomes rightfully known to a Recipient without confidential or proprietary restriction from a source other than Discloser that does not owe a duty of confidentiality to Discloser with respect to such Proprietary Information; or (d) is independently developed by a Recipient without the use of or reference to the Proprietary Information of Discloser, as evidenced by a Recipient's contemporaneous written records or as otherwise reasonably demonstrated by the Recipient. In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. 7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9. TERM AND TERMINATION.

9.1 This Agreement shall remain in effect until May 30, 2020, unless terminated earlier in accordance herewith (the “Term”). The parties may agree in writing to extend the Term.

9.2 In addition, each party shall have the right to terminate this Agreement for any reason, or no reason, immediately upon written notice to the other party at any time.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

Each Recipient and its Representatives shall take the same degree of care that it uses to protect its own confidential and proprietary information and materials of similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure, publication or dissemination of the Proprietary Information. Notwithstanding the foregoing, the parties understand and agree that at any time and from time to time a party may engage in discussions and/or provide feedback with respect to the other party's products and services (such discussions or feedback, "Feedback"). Feedback shall not constitute Proprietary Information, and each party hereto shall have the unrestricted right to use or exploit such Feedback and shall have no obligations to the other party with respect thereto. The provisions of this Section 5.1 shall not be construed to prevent R3 from (i) using for the benefit of itself or any other Person any knowledge or experience which it may obtain as a result of providing licenses and Operations Services hereunder, including any information, knowledge or experience, in each case in intangible form, in the unaided (including not aided by means of reviewing Proprietary Information in written or electronic form) memories of the persons who have had access to Proprietary Information.

In addition, Recipient may use or disclose Proprietary Information to the extent: (y) approved by Discloser in writing or (z) Recipient is legally compelled to disclose such Proprietary Information to a judicial or administrative authority, provided, however, that prior to any such compelled disclosure, and to the extent legally permitted, Recipient

shall give Discloser reasonable advance written notice of any such disclosure so that Discloser shall have reasonable opportunity to object to the disclosure, and shall cooperate with Discloser (at Discloser's cost and expense including, without limitation, reasonable attorney's fees and costs) in protecting against any such disclosure and/or obtaining a protective order narrowing the scope of such disclosure and/or use of the Proprietary Information.

6. NO REPRESENTATIONS OR WARRANTIES.

OTHER THAN THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, THE TRADE FINANCE IP AND THE OPERATIONS SERVICES ARE PROVIDED "AS IS", AND (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) R3 AND ITS AFFILIATES MAKE NO WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WITH RESPECT TO THE QUALITY, SECURITY, AVAILABILITY, OR PERFORMANCE OF, THE TRADE FINANCE IP OR THE OPERATIONS SERVICES PROVIDED PURSUANT TO THIS AGREEMENT OR THE ACCURACY OR RELIABILITY OF THE OPERATION THEREOF. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS AGREEMENT, R3 PROVIDES NO CLAIM, REPRESENTATION, WARRANTY OR OTHER FORM OF GUARANTEE THAT ANY INTELLECTUAL PROPERTY OR OPERATIONS SERVICES PROVIDED BY R3 PURSUANT TO THIS AGREEMENT WILL MEET LICENSEE'S REQUIREMENTS, BE ERROR FREE OR OPERATE WITHOUT INTERRUPTION.

7. REMEDIES.

Each Recipient agrees that, due to the unique nature of the Proprietary Information, the unauthorized disclosure or use of the Proprietary Information of each Discloser will cause irreparable harm and significant injury to each Discloser, the extent of which will be difficult to ascertain and for which there may be no adequate remedy at law. Accordingly, each Recipient agrees (on behalf of itself and its Representatives) that each Discloser, in addition to any other available remedies, shall have the right to seek an immediate injunction and other equitable relief (without the need to post bond) enjoining any breach or threatened breach of Section 5 of this Agreement. Recipient shall notify Discloser in writing immediately upon Recipient's becoming aware of any such breach or threatened breach.

8. RETURN OF MATERIALS.

Upon any termination of this Agreement, or at any time at either party's request, (a) the other party shall promptly return or destroy (and certify in writing to such destruction) all materials (in written, electronic or other form) containing or constituting Proprietary Information of such Discloser, including any copies and extracts thereof, and (b) Recipient shall not use such Proprietary Information in any way for any purpose. Licensee acknowledges and agrees that if R3 through its subcontractor CryptoBLK is Operating the Trade Finance IP on Licensee's behalf, if Licensee requests the return of its Proprietary Information, R3 will no longer be able to Operate the Trade Finance IP on Licensee's behalf. Notwithstanding the foregoing, each party is permitted to retain copies of Proprietary Information to the extent required by applicable law or regulation

provided that such retained Proprietary Information shall remain subject to the confidentiality obligation set forth in this Agreement.

9.3 The following sections shall survive termination or expiration of this Agreement (in addition to any liability arising under this Agreement prior to such termination or expiration), and shall continue in full force and effect following such termination or expiration: 2.1, 4, 5, 8, 10, 11, 13 – 18 and Schedule A.

10. LIMITATION OF LIABILITY.

In no event will R3 or any of its licensors be liable, whether in contract, warranty, tort (including negligence, whether active, passive or imputed), product liability, strict liability or other theory, breach of statutory duty or otherwise arising out of, or in connection with, this Agreement, for any direct, indirect, incidental, special or consequential damages (including any loss of profits or data, business interruption or other pecuniary loss, or damage, loss or other compromise of data, in each case whether direct, indirect, incidental, special or consequential) arising out of use of any Intellectual Property provided pursuant to this Agreement, even if R3 or its licensors or other users have been advised of the possibility of such damages. The foregoing limitations and disclaimers shall apply to the maximum extent permitted by Applicable Law, even if any remedy fails of its essential purpose. Licensee acknowledges and agrees that the limitations of liability afforded R3 in this Section 10 constitute a material and actual inducement and condition to R3’s entering into this Agreement, and are reasonable, fair and equitable in scope to protect the legitimate interests of R3 in light of the fact that R3 is not receiving consideration for providing the licenses and services described in this Agreement.

11. INDEMNIFICATION.

To the maximum extent permitted by law, Licensee will defend, indemnify and hold harmless R3, the Newco, the Operator and their respective Representatives from and against any and all claims, actions, suits, investigations, or proceedings by any third party (including any party or purported party to or beneficiary or purported beneficiary of any Beta Transaction), as well as any and all losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of, accruing from, or in any way related to (i) Licensee’s breach of the terms of this Agreement, (ii) Licensee’s use of the Trade Finance IP or the Operations Services, (iii) any Beta Transaction, or the failure to occur of any Beta Transaction, and (iv) Licensee’s negligence, fraud, or willful misconduct.

Except as set forth in the foregoing sentence, this Agreement is for the sole benefit of the parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement under the Contracts (Rights of Third Parties) Act 1999 or otherwise.
