

## License Certificate

This document certifies the purchase of the following license: **Premium Template Licence**

### License Disclaimer

- 1- Purchasing an item each time provides you the license to use the template on a single (personal or business) project. If you want to use it on further projects, you must buy the template separately every time.
- 2- You may not offer those items, modified or unmodified, for redistribution or resale. You cannot include the purchased template with a website offered for sale or distributed for free.
- 3- You may be permitted to convert a purchased template to a CMS theme to sell or distribute for free, but the copyright holder's permission (preferably written) is required.
