~~Old~~New Title

1. Lorem ipsum dolor sit amet
2. consectetur adipiscing elit
3. Lorem ~~ipsum~~ dolor sit amet

I really love *italic* ~~fonts~~*font-styles* ~~here.~~there.

```
 print("Hello")
-print("world.")
+print("world!")
 print("Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incid
```

Don't go around saying ~~to people that~~ the world owes you a living. The world owes you nothing. It was here first. ~~One~~Only one thing is impossible for God: To find any sense in any copyright law on the planet. Truth is stranger than fiction, but it is because Fiction is obliged to stick to possibilities; Truth isn't.
