Sinkin Sans Regular 30px

Sinkin Sans Regular 14px, 26px leading, using the Text colour. Here is an **accent**, which is still Sinkin Sans regular. Most body text is in this font.

Some text uses Sinkin Sans SemiBold, mostly on the Usage Guide.

Links are Sinkin Sans Medium, using the Primary colour.

Paragraphs/Line Breaks have 15px spacing. The max line-length on a stretched window (if you're making it responsive) should be approximately ~110 characters.

This is Sinkin Sans Regular 16px, 30px leading. "Tabli was developed by me, **Antony Courtney**, as a side project..."

Features (home page) are in 18px Regular

The description text is 15px Regular, 28px leading, using the Light Text colour.
