Course Bootcamp Power Hour with Regina Anaejionu

About Regina: Regina Anaejionu is an author and teacher who writes at least 2,000 words per day and publishes new content (in the form of an email or lesson) almost every single day.

Quality content has been the biggest driver of audience growth and business for her, and she has developed methods that help her create more quality in less time than she ever thought imaginable.

Regina believes that content planning and re-purposing with a dash of creation, execution, and consistency will work wonders for any entrepreneur who wants to establish an engaged audience and create popular information products.

About this Power Hour: In this session, Regina will answer your questions around mapping your own 45-day launch plan for your first (or next) online bootcamp, simple steps you can take to get paid while you create your course, and more. This is your opportunity to dive even deeper into the content she shared during the summit!
